

InGRID

Supporting expertise in inclusive growth

Integrating Research Infrastructure for European expertise on Inclusive Growth from data to policy

FOURTH CALL FOR VISITING GRANTS

In July 2018, the fourth call for transnational access is made available on the InGRID website. In this call, visiting grants are offered for 15 of the InGRID research infrastructures: HIVA-KU Leuven (Leuven), POLC-TÁRKI (Budapest), AIAS/AISSR-UvA (Amsterdam), SOFI-SU (Stockholm), University of Trier, IEPM-CED (Barcelona), IRISS-LISER (Luxembourg), CSB-UA (Antwerp), ISER-UEssex (Essex), SOEP-DIW (Berlin), CEET-CNAM (Paris), DSMAE-UNIFI (Pisa), LIS (Luxembourg), CMIST-UNIMAN (Manchester), CELSI (Bratislava). These free-of-charge visits can contain between 5 and 15 working days and visitors receive a partial reimbursement of travel costs and a subsistence allowance.

Each of the host institutes has expertise in and access to leading European (comparative) data sets or expertise in working with specialised statistical techniques for social sciences research. During a visit users get the opportunity to work together with experts from the host institution on their own project, receive access to, and support and guidance in the use of the data, advice on methodological questions and on the progress of their project. Candidates can apply for a visiting grant through the online application form.

Deadline for applications: 3 September 2018

CALL EUROMOD WINTER SCHOOL

21-23 November 2018, University of Essex, Colchester (UK)

The aim of the course is to provide academics, policy practitioners and other interested users with an introduction to the concepts, structure and functioning of EUROMOD. The course will cover the basics of tax-benefit microsimulation, the logic and structure behind EUROMOD, working with EUROMOD's user interface, input data, EUROMOD 'language' and using existing documentation. The bulk of the course is dedicated to teaching EUROMOD functions which form the building blocks of the EUROMOD 'language'.

Deadline for applications: 3 September 2018

CALL DATA FORUM 'NATIONAL WORKING CONDITIONS SURVEYS'

8-9 November 2018, CIOP, Rome (Italy)

This expert data forum on national working conditions surveys will be organised by CIOP in collaboration with the PEROSH network. The data forum will take place in Rome and is hosted by INAIL, the National Institute for Insurance against Accidents at Work. The event will bring together data providers, research-users and stakeholders to discuss the challenges of the working conditions surveys, related particularly to the issues of data collection, integration and harmonisation, and to discuss the innovative potential of possible improvement and data integration of the existing national working conditions surveys in Europe.

Deadline for applications: 3 September 2018
